*41 Gray Road, West End, the address on the electoral roll for Jeffery Ernest John SPENDER. [We do not have copyright on a photo of Spender.] This is hardly confidential information. The electoral roll is public, and the view of this address is also very public. We have copyright here.*

**Jeffery Ernest John Spender [Spender] was elevated to be a Justice of the Federal Court of Australia by the Hawke Government in 1982.**

**The Public Document called the Electoral Roll gives his electoral address as 41 Gray Road, West End. The Electoral Roll also discloses that one *GLENICE ETHEL SPENDER*, also has 41 Gray Road, West End as her electoral address.**

**We are concurrently publishing six journals which are relevant to this matter. **Another public document, called Telstra's White Pages discloses the entry: Spender J E J & G E, 41 Gray Rd Hill End 4101, (07) 3844 3823.**

Wally Reiman is a lowlife, bottom dwelling, perjuring bully of a disabled guy and Reiman is a criminal. We suspect that he thinks he has got away with it. It was in 1974, 33 years ago. Once a lowlife always a scumbag. He defrauded our prime informant and Official AustLawPublish photographer Haig [note our *HAIGPHOTO* labels]. Haig was and is disabled. His being disabled assisted Reiman to be the gutter dwelling perjurer, so to defraud the disabled Haig.

All our journals are print journals. This means they are held in libraries, and are, by law, required to be retained in those libraries, including the National Library of Australia in Canberra, [in fact all our journals are held in the Australian Collection in the Main Reading Room], and in the State Library of Queensland. That means it will be PERMANENT. As well, we archive our journals online on our website. GOOGLE picks up so much. It will pick up all the names that we include in our journals.

Read all about it in the current issues [both published 21 May, 2007] of our [Australian Criminal Law Journal](#) [ACLJ] <http://austlawpublish.com/austlawpublishACLJ.html> and [Australian Judiciary Law Journal](#) [AJLJ] <http://austlawpublish.com/austlawpublishAJLJ.html> /.

If Wally Reiman wants to sue us, our Editor or Haig, that will be his decision. We, including Haig, are all legally trained and experienced. In any court case the whole matter of how Haig was bullied and defrauded while suffering multiple disabilities, will be rehashed. Much will come out of that. QR owed Haig a Fiduciary Duty. [Trained in Law, we know the particulars of such.] QR [and that is the Queensland Government] breached its Fiduciary Duty to Haig. Reiman and Haig, were both members of the Railway Salaried Officers Union [RSOU]. RSOU decided to back the lying and bullying Reiman. The QR was a partisan labor/union stronghold, and was also happy to breach its fiduciary duty. It destroyed evidence. As well, the conduct of the present Justice of the Federal Court of Australia, Jeffery Ernest John Spender, who was then a barrister, and labor lawyer, and then hero of, and leading light of, the labor/union movement, will be subject to great scrutiny. We are certain there will be great interest in seeing how Spender emerges from this scrutiny.

You will note in the currently published ACLJ, that we are using that journal as a vehicle to make a complaint to the Chief Justice of the Supreme Court of Queensland [SCQ], of a Breach of Professional Standards, being a Conflict of Interest and Duty, by Spender, then a barrister admitted to practice by SCQ. Any legal case, [brought by others], may (?) cause great nervousness in Spender, SCQ, QR, the Queensland Government and many others.

**Bring it on.**
